Program Highlights

CrafterDark - Adopt a Craft Kit

10/1 - 6pm

Could you find it in your heart to give an unused Craft Kit a loving home? At the library we say an unused craft supply is not living its best life. Now's your chance to make a difference...and a craft! Melissa is clearing out her craft room and parting ways with a craft kit subscription she never found the time for. Dedicate just 90 minutes of your time (plus extra at home if needed) to adopt and complete a lonely kit at the library.

Vaccine Clinic 10/6 - 4-7pm

We are once again partnering with Livingston Pharmacy to offer a convenient clinic for ALL THE VACCINES. Drop-ins welcome. REMEMBER to bring your insurance card. Most vaccines are FREE with insurance!

Right to Read Book Group 10/8 - 6pm

In cooperation with the American Library Association, we're hosting a gathering to celebrate challenged and controversial books. Do you have a banned or challenged book that holds a place in your heart? Join us to celebrate books that can cause fear in some, joy in others. You have a Right to Read whatever you want!

New Book Club Selections

Fall is a great time to join a book group and read something you may have never considered before! All Book Clubs have a Zoom option. Here's what's coming up.

Featured Program

The Printed Walk: Hiking the Appalachian Trail 10/22 6-7:30pm

The library is THRILLED to host print artist Lindsay Schmittle to talk about her 2017 thru hike of the Appalachian Trail. Not only did Lindsay hike 2,190 miles through 14 states, she also collected charcoal, clay, and other elements to make a print for every 100 miles she hiked. Hear her amazing story!
